This information is for occupants of Carrillo Steam Plant. University guidelines for workplace safety, emergency preparedness and emergency response are found in the University of Pittsburgh Safety Manual [https://www.ehs.pitt.edu/manual](https://www.ehs.pitt.edu/manual) and the University of Pittsburgh Emergency Management Guidelines found on [https://www.emergency.pitt.edu/resources/emergency-management-guidelines](https://www.emergency.pitt.edu/resources/emergency-management-guidelines).

In the event of a fire in Carrillo Steam Plant, the entire building will signal fire alarm conditions. *If the fire alarm signal (visual strobe lights and audible horns) activates; evacuate the building.* The fire alarm pull stations are located at the exit doors and near the stairwells.

1. **If you hear or observe the fire alarm signal:**
   
   i. Close the door behind you and evacuate the building by following the EXIT signs to nearest stairwell or exterior door. Do not use the elevators during an alarm condition, unless directed by an emergency responder.

   ii. Proceed to an assembly point away from the building. The closest assembly area for the Carrillo Steam Plant is Trees Hall at 2533 Allequippa Street.

   iii. Do not re-enter until the “all clear” signal is given by the police or fire department.
2. **Upon discovery of smoke or fire:**
   
i. Alert anyone in immediate danger.

   ii. Close the door to contain smoke or fire.

   iii. Activate the nearest pull station.

   iv. Evacuate the building.

   Note: If you cannot activate the pull station and you are in a safe area, call 911 or call University Police at 412-624-2121.

3. **Evacuation Plan**

   Evacuate using the nearest stairwell upon any activation of the emergency alarm on your floor. For general information on evacuation, go to the [Safe Building Evacuation](#) in the Fire Safety section of the EH&S website. In the event of a prolonged evacuation or hazardous weather conditions, an assembly area will be established, and you will be notified by a University representative of the location. The short-term assembly area for the Carrillo Steam Plant is Trees Hall. In the event of a major emergency, the long-term assembly area for the Carrillo Steam Plant is the Petersen Events Center.

   If you cannot follow the University’s Building Evacuation Procedures due to a temporary or permanent physical impairment, please contact Pitt EH&S 412-624-9505 and request development of an Individualized Evacuation Plan.

**Evacuation Routes**

- **Carrillo Steam Plant** - Exit using the northeast building entrance/exit and egress onto Robinson Street Extension, Or, Exit using the south building entrance/exit and egress onto the Robinson Street Extension by utilizing sidewalk on the south side of the building, Or, Exit using the west-southwest building entrance/exit and egress onto the Robinson Street Extension.

4. **Medical Emergency:** Call Pitt Police at 412-624-2121.

5. **Security Emergency:** Call Pitt Police at 412-624-2121.

6. **Building Utility Emergency**

   For any utility emergency or utility problem (including electrical, water, heating, air conditioning, elevator), contact Facilities Management at 412-624-9500. In the event of a power failure, emergency generators will supply power to emergency lighting, critical equipment and every red receptacle.

Reviewed by Pitt EH&S June 2020
7. **Building Entry Procedures**

*Carrillo Steam Plant operation hours are:*

Monday-Friday: 6:00am – 2:00pm

Do not enter the Carrillo Steam Plant or any campus building if you note that the building’s emergency alarm is signaling, or that the building has been posted with signs that indicate an ongoing emergency alarm condition.
