This information is for occupants of the Music Building. University guidelines for workplace safety, emergency preparedness and emergency response are found in the University of Pittsburgh Safety Manual [https://www.ehs.pitt.edu/manual](https://www.ehs.pitt.edu/manual) and the University of Pittsburgh Emergency Management Guidelines found on [https://www.emergency.pitt.edu/resources/emergency-management-guidelines](https://www.emergency.pitt.edu/resources/emergency-management-guidelines).

In the event of a fire in the Music Building, the entire building will signal fire alarm conditions. *If the fire alarm signal (visual strobe lights and audible horns) activate, evacuate the building.* The fire alarm pull stations are located at the exit doors and near the stairwells.

1. **If you hear or observe the fire alarm signal:**
   
i. Close the door behind you and evacuate the building by following the Exit signs to the nearest stairwell or exterior door. Do not use the elevators during an alarm condition, unless directed by an emergency responder.

   ii. Proceed to an assembly point away from the building. The closest assembly area for the Music Building is Alumni Hall at 4227 Fifth Avenue.

   iii. Do not re-enter until the “all clear” signal is given by the police or fire department.

2. **Upon discovery of smoke or fire:**
   
i. Alert anyone in immediate danger.

   ii. Close the door to contain smoke or fire.

   iii. Activate the nearest pull station.

   iv. Evacuate the building.

Note: If you cannot activate the pull station and you are in a safe area, call 911 or call University Police at 412-624-2121.
3. Evacuation Plan

Evacuate using the nearest stairwell upon any activation of the emergency alarm on your floor. For general information on evacuation, visit the Safe Building Evacuation in the Fire Safety section of the EH&S website. In the event of a prolonged evacuation or hazardous weather conditions, an assembly area will be established, and you will be notified by a University representative of the location. The short-term assembly area for Music Building is Alumni Hall. In the event of a major emergency, the long-term assembly area for Music Building is the Petersen Events Center.

If you cannot follow the University’s Building Evacuation Procedures due to a temporary or permanent physical impairment, please contact Pitt EH&S 412-624-9505 and request development of an Individualized Evacuation Plan.
