Pandemic Safety Ambassadors

University of Pittsburgh

Office of Public Safety and Emergency Management
Department of Environmental Health and Safety
November 2020
Agenda

• Review of Data from Ambassador Feedback Survey #3
• Campus Posture Changes
• Campus Depopulation Plan
• RSC Survey
• Other Business
Survey #3

Number of Persons in Work Area on Campus

- 10 or less
- 11 to 20
- 21 to 50
- 51 to 100
- Over 100

August - September - October
Survey #3

Face Covering Conformance Across Campus
Survey #3

Face Covering Conformance by Faculty/Staff

- Improved: 12%
- Stayed the Same: 86%
- Worsened: 0%
Survey #3

Faculty / Staff Face Covering Conformance

Excellent: 88% (August), 84% (September), 88% (October)
Good: 10% (August), 16% (September), 10% (October)
Average: 1% (August), 0% (September), 2% (October)
Poor: 0% (August), 0% (September), 0% (October)
Survey #3

Face Covering Conformance by Students

- Improved: 14%
- Stayed the Same: 79%
- Worsened: 7%
Survey #3

Student Face Covering Conformance

- Excellent: July 78%, August 57%, September 64%
- Good: July 8%, August 37%, September 25%
- Average: July 14%, August 6%, September 11%
- Poor: July 0%, August 0%, September 0%
Survey #3

Face Covering Conformance by Visitors

- 92% Stayed the Same
- 7% Improved
- 1% Worsened
Survey #3

Visitor Face Covering Conformance

- Excellent: 72%, 69%, 68%
- Good: 17%, 29%, 29%
- Average: 7%, 2%, 3%
- Poor: 4%, 0%, 0%

August, September, October
Survey #3

Physical Distancing Conformance Across Campus
Survey #3

Physical Distancing Conformance by Faculty/Staff

- Improved: 7%
- Stayed the Same: 88%
- Worsened: 5%
Survey #3

Faculty / Staff Physical Distancing Conformance

- Excellent:
  - August: 60%
  - September: 62%
  - October: 74%

- Good:
  - August: 33%
  - September: 35%
  - October: 22%

- Average:
  - August: 7%
  - September: 3%
  - October: 4%

- Poor:
  - August: 0%
  - September: 0%
  - October: 0%
Survey #3

Physical Distancing Conformance by Students

- Improved: 5%
- Stayed the Same: 82%
- Worsened: 13%
Survey #3

Student Physical Distancing Conformance

- **Excellent**: August 37%, September 27%, October 36%
- **Good**: August 37%, September 52%, October 42%
- **Average**: August 23%, September 21%, October 21%
- **Poor**: August 3%, September 0%, October 1%
Survey #3

Physical Distancing Conformance by Visitors

- Improved: 6%
- Stayed the Same: 94%
- Worsened: 0%
Survey #3

Visitor Physical Distancing Conformance

- **Excellent**
  - August: 44%
  - September: 54%
  - October: 56%

- **Good**
  - August: 40%
  - September: 38%
  - October: 36%

- **Average**
  - August: 16%
  - September: 8%
  - October: 8%

- **Poor**
  - 0%
Campus Posture Changes

• Elevated Risk
  • Bradford
  • Johnstown

• Guarded Risk
  • Greensburg
  • Pittsburgh
  • Titusville

RSC Survey

Discussion of RSC Survey questions
Follow Up on Daily COVID Health Check App

• Questions and Comments about the Daily COVID Health Check app submitted during the last meeting were submitted to the Resilience Steering Committee (RSC)

• Faculty, staff, and students each have slightly different requirements, given their responsibilities and interactions on campus
  • The prevalence of the virus in the student population is monitored differently from the ways the virus is monitored in the employee population
Follow Up on Daily COVID Health Check App

• Therefore, the RSC and CMRO determined that it was more effective to focus student efforts on compliance with mitigation measures (wearing face coverings, personal hygiene, physical distancing) rather than mandating daily attestation s from all students.
Updated CDC Guidance

• Close Contact Definition Updated

• Someone who was within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period (e.g., three 5-minute exposures for a total of 15 minutes)
