Vaccination and PittCoVax

PittCoVax is available to partner with Pitt schools and programs to provide access to COVID-19 vaccinations and/or Q&A sessions.

- Host a day for schools/programs at the vaccination center
- Clinicians available for welcome/orientation events at vaccination center and to answer questions
- Host “pop-up events” where the vaccine is brought to the school/program location

Contact PittCoVax by email at covaxcenter@pitt.edu
Fall Testing Program

The CMRO is developing a COVID-19 testing program for the Fall Term.

Testing will be mandatory for unvaccinated students, faculty and staff.

• Frequency TBD
  • Testing required for students in University Housing prior to arrival

Most testing likely not performed on Pitt campuses. CMRO is seeking to continue the contract with Quest for at-home testing.
Updated COVID-19 Guidance

Revised COVID-19 health rules to be released before or during week of August 2.

These rules will replace most existing Standards and Guidelines for mitigation measures.
Contact Tracing

EH&S will continue to perform contact tracing for all COVID-19 positive students, faculty, and staff.

Positive students will be moved to dedicated on-campus isolation housing
  • Mandatory for students in University Housing
  • Offered to students living off-campus

Faculty and staff will isolate at home or at a location of their choosing off-campus.
Contact Tracing

STAY HOME IF YOU ARE SICK, especially with symptoms similar to COVID-19.

Faculty and Staff:
Report any positive COVID test to MyHealth@Work (412-647-4949)

Students:
Report any positive COVID test to Student Health (412-383-1800)

Isolate away from campus until medically cleared.
