6. Vaccination
7. Survey Feedback
Posture Changes

Thursday, Mar. 11th at 7:00 a.m.:
Bradford, Pittsburgh and Titusville campuses will move from Elevated to Guarded Risk Posture.

Greensburg Campus already in Guarded Risk Posture

Johnstown Campus to remain in Elevated Risk Posture
Guarded Risk Posture

Students

• Most instruction may be in person, except large lectures
• Housing open with virus mitigation and isolation interventions in place
• Shared spaces open
• Maximum gathering numbers determined by space capacity and federal, state and local guidelines

Faculty & Staff

• Work from home encouraged whenever possible
• Those who need to support permitted activities allowed on campus
• Research staff on campus based on Principal Investigator determination
Return to Campus Training

COVID-19 training is still required for employees prior to working on-campus.

Newly-hired employees also required to complete this training prior to working on campus.

Recommended for employees not coming to campus to prepare for interactions with colleagues or students that are on-campus.

Information available at https://www.hr.pitt.edu/return-to-campus-employees
Travel Policy (as of March 8)

Quarantine After Travel remains in effect

Employees who return from traveling outside the local region should quarantine for 14 days prior to returning to campus.

If University members do not develop symptoms and test negative for COVID-19 on day eight or later, the quarantine period is shortened to 10 days.
Symptomatic / Positive Individuals

Anyone who is experiencing symptoms associated with COVID-19, has tested positive for SARS-CoV-2, or has been exposed to the virus via close contact should call:

MyHealth@Work 412-647-4949 (Faculty/Staff)

Student Health Services 412-383-1800 (Students)
Updated Face Covering Guidance
