Pandemic Safety Ambassadors

University of Pittsburgh

Office of Public Safety and Emergency Management
Department of Environmental Health and Safety
October 2021
Overview

1. Mandatory Testing Updates
2. Data
3. Flu Vaccination
4. Other Updates
Mandatory Testing Updates

• On-campus test site open for ALL affiliates at O’Hara Student Center
  • Can be used in lieu of at-home Quest testing kits

• Questions about Non-Conformance?
  • Staff – Office of Human Resources, Department of Employee & Labor Relations
  • Faculty – Office of the Provost
  • Students – Student Affairs
Mandatory Testing Updates

Please note – if a non-conforming University member has their access removed due to lack of weekly negative test – getting tested does not immediately re-instate access.

Process:
Access removed – individual performs testing – Pitt must be notified of test result – then access can be re-instated
Data – Employee Cases
Pittsburgh Campus - Fall Semester
